\_\_\_\_\_

I am applying to the National Board of Naturopathic Examiners, it is my desire to show competence through taking of the NDLEX. I understand that the NDLEX does not guarantee licensure by state boards and that it is up to those boards full discretion not NBNE. I agree to abide by the articles, scope and code of ethics of this board and understand that failure to do so may lead the board to take action against my standing with it and my certification. I understand that the application fee will not be waived if my application is returned and that testing if not passed is non refundable.
